Dr. Joshua Lederberg
Professor of Genetics
Stanford University
Medical Center
Stanford, California 94305

Dear Dr. Lederberg:

Thank you very much for the additional clippings on zero tolerance
some of which I have not seen.

May I say that I was delighted with your editorial in C and E
News December 8. It counteracted McCurdy's earlier editorial
which I discussed with him and which in my opinion was based
on gross misinformation.

Sincerely yours,

John H. Weisburger, Ph.D.
Head, Carcinogen Screening Section
Experimental Pathology Branch
National Cancer Institute
